The map displays the Aki City area, including the surrounding regions of Nishio and Aki. It features a detailed network of bus routes, color-coded by frequency: blue for 0.5-1 bus/hour, yellow for 1-2, orange for 2-3, red for 3-4, and dark red for 4 or more. Train lines are shown in green, with frequencies of 1-2 or 3+ trains per hour. The map also highlights the operating areas for 'Choiso Koryu-o' (green), 'Choiso Kobi' (yellow), and 'Aki City Demand Taxi' (orange). Various facilities are marked with symbols: post offices (〒), elementary and middle schools (★), high schools and universities (⊗), hospitals (⊕), and large retail stores (pink dots). Specific locations labeled include Aki, Nishio, and other nearby towns. The map also shows the distribution of bus stops (open circles) and taxi stops (filled circles). The map is a detailed representation of the public transportation and facilities in the Aki City area.
